Subject: Wood County Press release - Town of Armenia private well testing
Attachments: Press Release June 2018 (4).docx

Linda,

I wanted to alert you that the Wood County Health Department (as I mentioned, Wood County covers environmental health work for Juneau County) is issuing a press release today regarding nitrate test results in private wells in Juneau County (see attached).

We have not yet received any results from them.

Jim

We are committed to service excellence.
